BEAD BEAUTIFUL - Austrian Crystals represent decisiveness, clarity of thought and the ability to make sound decisions. Emerald is the color of prosperity and earth's magnificent essence. Bead Beautiful "Compassion" Bracelet

Value: \$50

Donation by: Cathy Sue Sagerser,
www.beadbeautiful.com

BEAD BEAUTIFUL - Compassion is the art of listening with your heart, while investing in others with unconditional love. If we discipline ourselves to focus on the "We" (as in Wellness) instead of the "I" (as in Illness), we empower ourselves through compassion. The leaf is for our willingness to listen and grow. The tulip represents forgiveness. The Yin/Yang bead is for balance of emotion. Crystals; clarity of thought. Hematite; stress release, healing, and energy. The two bone faces; good relationships. The bone swirl bead (inner ear) reminds us to practice the skill of listening. The white howlite heart and chips are for new beginnings. All items in threes, (3 black & gold beads), convey health, wealth, and happiness to the person wearing the bracelet.
